**Hear from your  
peers!**

## What approach(es)/framework(s) did your jurisdiction use to structure your IP?

- *National HIV/AIDS Strategy (NHAS) goals, Ending the Epidemic (EHE) strategies, or a combination?*
- *Syndemic approach? Status neutral approach?*
- *Joint IP (e.g., Ryan White HIV/AIDS Program Parts A and B)*
- *Aligned with other planning efforts (e.g., EHE, Getting to Zero)*

# What are your next steps for IP implementation?

- *What role/roles are overseeing implementation?*
- *Did your jurisdiction create an implementation work plan?*
- *Are activities delegated to specific planning body committees?*

# How will you monitor the plan and share updates with stakeholders?

- *What is the role of the planning body?*
- *What are your plans for ongoing stakeholder engagement?*
- *What communication strategies will you use to communicate progress and updates?*

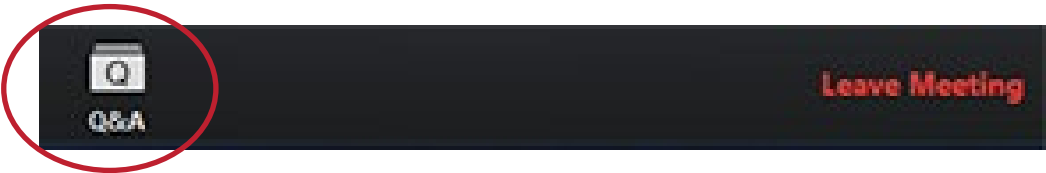

**What did your jurisdiction learn during this planning cycle that will inform your work moving forward?**
