

The logo features a large, stylized red graphic element on the left, resembling a square with a missing top-right corner and a horizontal bar extending to the right. The text is arranged to the right of this graphic. The year '2018' is written vertically in light blue. 'NATIONAL' is written in light blue above the main title. 'RYAN WHITE' is the main title in large, bold, white letters. Below it, 'CONFERENCE ON HIV CARE & TREATMENT' is written in light blue. The background is a solid dark blue with a vertical red bar on the left and a horizontal red bar at the bottom.

**2018** NATIONAL  
**RYAN WHITE**  
CONFERENCE ON HIV CARE & TREATMENT

Walking in the footsteps of a giant...  
Our story begins in 2002

# Goals of CBDPP

- 1) To enhance access to quality oral health care for low-income, underserved and uninsured persons living with HIV/AIDS in the 120 counties of Kentucky and 14 counties in southern Indiana (seven of the fourteen counties designated, along with Jefferson County, KY, as Emerging Communities) and;
- 2) To increase the number of dental providers capable of managing the needs of PLWH.

# Service Area

Legend:

- ★ Louisville
- ✕ Miller Clinic
- + Case management sites

# Educational Program

Two Hygiene Students performing a routine dental cleaning.

- 120 Dental Students per year
- 6 General Practice Residents
- 30 Dental Hygiene Students
- 3 Continuing Education Course presented to practicing dental providers

# Continuing Education

- Community Practicing Dentists, Dental Hygienists, and Faculty receive education regarding HIV and Oral Health via AETC courses coordinated with the CBDPP.
- Case Managers at Care Coordinating Programs receive Oral Health Education via the CBDPP staff, as well as AETC courses coordinated with the CBDPP.
